- Collecting     Gems     Carving  
 Faceting     Minerals     Fossils  
 Jewelry Making     NW Rocks     All phases of lapidary  
 Fluorescent Minerals/Rocks

# Welcome to Clackamette Mineral and Gem

## Who are we?

The Clackamette Mineral and Gem Corporation of Oregon welcomes you to an exciting hobby. We of CMGC enjoy collecting rocks, minerals and fossil materials. The cutting, tumbling, polishing and facet-ing of various materials, whether gathered or pur-chased, is thoroughly fascinating.

Field trips are exciting events and eagerly an-ticipated by our members. Guests are always wel-come to share in these ventures where fun and fel-lowship abounds for all participants.

Each October we have a rock and gem show which has proven to be an educational and pleasur-able event for the community. Members display their skills and talents in their chosen interest of the lapi-dary arts and guests are invited to participate.

In addition to financing necessities and important functions, the show proceeds also provide educa-tional scholarships to qualified youth.

Our monthly Newsletter, the Clackamette Gem, keeps members well informed of activities and subjects pertaining to earth sciences.

CMGC members welcome guests to our meetings.

We conduct current business, have rock door prizes and a short program is presented by guest speakers or members on different phases of earth sciences.

Meetings are held on the third Tuesday of each month at 7 pm (with a Christmas Dinner gift exchange in December, early start at 6:30 pm).

**Kraxberger Hall  
Zion Lutheran Church  
720 Jefferson St.  
Oregon City, OR 97045**
